

# ELIAS LINDEROS

Junior Frontend Developer

## ABOUT ME

Passionate developer who has always been fascinated by technology and design! Through my strong personal interest, I make sure to stay updated on new techniques and methods to always deliver a functional, stable, and sleek solution. In my spare time, I find joy and inspiration in sculpting and painting miniatures, especially within the Warhammer universe. There, I not only get more outlet for my creativity but also the opportunity to challenge myself in creating detailed and imaginative artworks. Music (both playing and listening) and psychology are also two areas I enjoy spending time on.

## LANGUAGES

- Swedish
- English

## TECHNICAL KNOWLEDGE

Figma	<div><div></div></div>
Html	<div><div></div></div>
CSS	<div><div></div></div>
Javascript	<div><div></div></div>
Git	<div><div></div></div>
Angular	<div><div></div></div>
React	<div><div></div></div>
SQL	<div><div></div></div>

## EGENSKAPER

- Independant
- Punctual
- Multitasker
- Eye for design

## EXPERIENCE

**Intern Developer - ACG Devs**

**Borås**

**Jan 2024 - Maj 2024**

Overall responsible for improving and developing user interfaces in internal and external projects by creating and managing project profiles in the Figma tool. Through collaboration with the team, I have implemented and refined design concepts for both existing and new projects, resulting in increased usability and improved user experience. My role has also involved deepening my knowledge in frontend technologies such as Angular and Tailwind CSS. I have actively worked on implementing and optimizing UI components in Angular to fine-tune and enhance the appearance of several projects.

## HIGHER EDUCATION

**Vocational University of Borås**

**Frontend Developer React**

**2022-2024**

I master a range of important technologies, including HTML5, CSS3 for styling and layout, as well as JavaScript for interactivity and user experience. My expertise also extends to modern frameworks and libraries like Angular and React, enabling efficient development of scalable and responsive web applications.

## PAST EXPERIENCE

### **Handyman - Vintage Hallen**

**Hulu**

**Mars 2021 - Juli 2021**

Restoration of older furniture, from vintage to antique pieces. I also had the responsibility for managing the company's cash register and café operations.

### **Assembler - ADay service**

**Ulricehamn**

**2020 - 2021**

Delivery and assembly of furniture from major brands such as Jysk and IKEA. Strong focus on sustainability from transportation to assembly to offer an environmentally friendly service.

## HIGHSCHOOL EDUCATION

### **Ålleberg Highschool Falköping**

**Guldsmed**

**2010-2013**

During my education in the goldsmith profession, I acquired extensive knowledge of principles regarding materials and forms. A skill for attentively observing details was of utmost importance to achieve success and approval.
